

Welcome to...
Sonoran Desert Homeschoolers

est. 1999

SDH was founded in 1999 and is an all-volunteer, secular home education network serving homeschoolers throughout Tucson and Southern Arizona. We have families of all different homeschooling philosophies, and we like it that way! Some choose a curriculum based model and others choose unschooling, as well as everything in between. The journey away from schooling is vast, and we know that people's methods change as time goes on. In SDH, we believe that our similarities far outweigh our differences, and we choose to support each other in the fact that we have all walked away from mainstream schooling.

HOW TO JOIN:

To join, come to Park Day on any Tuesday and submit this membership form plus our annual dues of \$10.00 per year, per family. There are scholarships available for those who need them. You can find out where our park days are from either our website or Facebook Group, both listed at the bottom of this form. As soon as you have joined SDH you can request to be added to the Facebook group, and your profile should be added within a week.
